Arts Alive is a celebration of all art mediums, including poets, musicians, school bands, theater groups, and visual artists.

At Arts Alive, visual artists will demonstrate and sell their masterpieces on Main Street of Shadow Lake Towne Center

located at 72nd Street and HWY 370 in Papillion, Nebraska. Music will entertain art patrons as they enjoy and stroll through art 'studio' booths watching artists create works of art in front of them. Each booth will include ample space to showcase the artists work in a private 'art gallery' setting. To encourage large attendance of art patrons, advertisements will be placed in the media, emails sent to art patrons, posters will be prominently placed in area businesses, and event publications in area community calendars and popular art web pages.
